DOCKET NO. 2004-212-SUTILITIES MATTERS XXXORDER NO. 2005-29**SUBJECT:**

DOCKET NO. 2004-212-S – Development Service, Inc. – Application for approval of a new schedule of rates and charges for sewerage service provided to residential and commercial customers in all areas served. Discuss with the Commission Company's Motion to extend the time to issue the order in the case and to consolidate Docket No. 2004-212-S and 2004-259-S (Application of Bush River Utilities, Inc. for a Rate Increase).

COMMISSION ACTION:

- 1) Granted the extra 5 days to complete the final order in the DSI case, so that the DSI final order would be issued on February 2, 2005.
- 2) Granted consolidation of the DSI and Bush River Dockets, so that the evidence presented in both dockets is available for consideration during deliberation in both dockets, even though the matters are being heard separately. This is reasonable, since the dockets are so closely related to each other.
- 3) Denied extension of the six months period for issuing the Order in the DSI case past the five days granted in (1) above. The South Carolina Supreme Court ruled in the last Kiawah Island Utility case that any further extension of the statutory six months period for issuing an Order past the additional 5 days allowed in Section 58-5-240 is improper.

Proposed orders for DSI will be due on Monday, January 24. Please provide electronic copies of proposed orders in addition to a hard copy.
